The reinstated policy shall cover loss resulting only from Covered Dental Procedures that occur after the date of reinstatement. In all other respects, You and Us shall have the same rights as provided under the policy immediately before the due date of the defaulted premium, subject to new Waiting Periods beginning with the effective date of reinstatement. - H. TIME OF PAYMENT OF CLAIMS:** benefits payable under this policy will be paid immediately upon Our receipt of written proof of loss.

We will notify the covered person and the attending Dentist of the estimated benefits payable based upon the Treatment Plan. In determining the amount of benefits payable, consideration will be given to alternate procedures that may accomplish a professionally satisfactory result. If the covered person and His Dentist decide on a more expensive method of treatment than that pre-estimated by Us, benefits will be paid for the more costly treatment, but only up to the Policy liability for the less expensive alternate Service. We will not pay the excess amount. Since this may result in significant out-of-pocket expense, We strongly encourage You to follow the pre-estimation procedure for any Treatment Plan which will exceed \$300 in cost. To obtain the policy, Your ex-spouse must make application to Us within 60 days following the entry of the decree of dissolution of marriage. If such dissolution of marriage occurs, the Named Insured under this policy at the time of dissolution will retain that status. Any covered dependent may be covered under either policy, but not both.

Part 6
GENERAL POLICY PROVISIONS

- A. ENTIRE CONTRACT; CHANGES:** This policy, together with the application, endorsements, benefit agreements, riders and attached papers, if any, is the entire contract of insurance. No change in the policy is valid until approved in writing by Our president and secretary. This approval must be noted on or attached hereto. No duly licensed agent may change this policy or waive any of its provisions.
- B. TIME LIMIT ON CERTAIN DEFENSES:** (a) After two years from the effective date of coverage, no misstatements, except fraudulent misstatements, made by the applicant in the application will be used to void the coverage or to deny a claim for a loss incurred after the expiration of such two-year period. (b) No claim for loss incurred or disability (as defined in the Policy) commencing after two years from the date of issue of this policy will be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of loss had existed prior to the effective date of coverage of this Policy.
- C. GRACE PERIOD:** A grace period of 31 days will be granted for the payment of each premium falling after the first premium. During the grace period, this policy shall continue in force.
- D. REINSTATEMENT:** You may request reinstatement of Your policy directly from Us. If Your policy has lapsed for nonpayment of premium and We accept a later payment without requiring an application, Your policy will be reinstated. If We require a written application and provide You with a conditional receipt, Your policy will be reinstated upon approval of the applications from Us. If We do not notify You of Your disapproval in writing within 45 days of the date of Your application, Your policy shall be deemed reinstated. The reinstated policy shall cover loss resulting only from Covered Dental Procedures that occur after the date of reinstatement. In all other respects, You and Us shall have the same rights as provided under the policy immediately before the due date of the defaulted premium, subject to new Waiting Periods beginning with the effective date of reinstatement. Any premium accepted in connection with a reinstatement shall be applied to a period for which premium has not been previously paid, but not to any period prior to the date of reinstatement.
- E. NOTICE OF CLAIM:** Written notice of claim must be given within 60 days after a Covered Dental Procedure starts or as soon as reasonably possible. Notice given by You or on Your behalf or on behalf of Your beneficiary to Us at [7800 Office Park Blvd, PO Drawer 14389, Baton Rouge, LA 70898-4389], or to any of Our authorized agents, with information sufficient to identify You, will be deemed notice to Us.
- F. CLAIM FORMS:** When We receive a notice of claim, We will send the claimant forms for filing proof of loss. If the forms are not given to You within 10 working days after the giving of such notice, You will meet the proof of loss requirements by submitting, within the time fixed in the policy for filing proofs of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made.
- G. PROOF OF LOSS:** Written proof of loss must be given to Us in case of claim for loss for which this Policy provides any periodic payment contingent upon continuing loss within 90 days after the termination of the period for which We are liable, and in case of claim for any other loss within 90 days after the date of such loss. Failure to furnish such proof within the time required will not invalidate or reduce any claim if it was not reasonably possible to give proof within such time. However, such proof must be furnished as soon as reasonably possible and in no event (except in the absence of legal capacity) later than 12 months from the time of proof is otherwise required.
- H. TIME OF PAYMENT OF CLAIMS:** benefits payable under this policy will be paid immediately upon Our receipt of written proof of loss.

- I. PAYMENT OF CLAIMS:** All benefits will be payable to You unless assigned by You or by operation of law. Any accrued benefits unpaid at Your death will be paid to Your estate.
- J. CLAIMS REVIEW PROCEDURE:** If a claim is denied in whole or in part, You may request a review of the claim. The request must be in writing and must be made within 6 months after the claim was denied. Send the request to Us at P.O. Box 98100, Baton Rouge, LA 70898-9100. The request should contain any facts that the Insured considers important to the review. We will review the claims decision and send a response in writing within thirty (30) days. If the denial of benefits is confirmed, You will be told the reasons for the decision.
- K. LEGAL ACTIONS:** No legal action may be brought to recover on this policy within 60 days after written proof of loss has been given as required. No such action may be brought after six years from the time written proof of loss is required to be given.
- L. CONFORMITY WITH STATE AND FEDERAL STATUTES:** Any provisions of this policy that on its effective date is in conflict with the statutes of the state in which it was issue or with any federal statutes is hereby amended to conform to the minimum requirements of such statutes.
- M. OTHER INSURANCE WITH THIS INSURER:** If any person is covered under more than one policy or rider from Us, only the one chosen by You, Your beneficiary or Your estate, as the case may be, will be effective. We will return all premiums paid for that person for all other dental coverage from the date of duplication.
- N. PRE-ESTIMATION OF BENEFITS:** Whenever the estimated cost of a recommended dental Treatment Plan exceeds \$300, the Treatment Plan may be submitted to Us for review before treatment begins. The Treatment Plan should be accompanied by supporting pre-operative X-rays and any other appropriate diagnostic materials that We or Our dental consultants request. We will notify the covered person and the attending Dentist of the estimated benefits payable based upon the Treatment Plan. In determining the amount of benefits payable, consideration will be given to alternate procedures that may accomplish a professionally satisfactory result. If the covered person and His Dentist decide on a more expensive method of treatment than that pre-estimated by Us, benefits will be paid for the more costly treatment, but only up to the Policy liability for the less expensive alternate Service. We will not pay the excess amount. Since this may result in significant out-of-pocket expense, We strongly encourage You to follow the pre-estimation procedure for any Treatment Plan which will exceed \$300 in cost. Pre-Estimation of Benefits is not a promise of payment.
- O. SERVICES PERFORMED OUTSIDE THE U.S.A.:** Any Claim submitted for procedures outside the U.S.A. must: (1) be for a Covered Procedure, as defined; (2) be supplied in English; (3) use American Dental Association (ADA) codes; and (4) be in U.S. Dollar currency. Reimbursement will be based on the applicable Scheduled Fee amounts.
- P. RECOVERY OF OVERPAYMENTS:** We reserve the right to deduct from any benefits properly payable under this Policy the amount of any payment that has been made:
1. In error; or
 2. pursuant to a misstatement contained in a proof of loss; or
 3. pursuant to fraud or misrepresentation made to obtain coverage under this Policy within two (2) years after the date such coverage commences; or
 4. with respect to an ineligible person; or
 5. pursuant to a claim for which benefits are recoverable under any Policy or act of law providing coverage for occupational injury or disease to the extent that such benefits are recovered.
- Such deduction may be against any future claim for benefits under the Policy made by a Covered Person if claim payments previously were made with respect to a Covered Person.

Part 4
INSURANCE WITH OTHER INSURERS

If there is other valid coverage, not with Us, providing benefits for the same loss on a provision of service basis or on an expense incurred basis and of which We have not been given written notice prior to the occurrence or commencement of loss, the only liability under any expense incurred coverage of this Policy will be for the proportion of the loss as the amount which would otherwise have been payable under this policy plus the total of the like amounts under all the other valid coverages for the same loss of which We had notice bears to the total like amounts under all valid coverages for the loss, and for the return of the portion of the premiums paid as shall exceed the pro-rata portion for the amount so determined. For the purpose of applying this provision when other coverage is on a

provision of service basis, the "like amount" of the other coverage shall be taken as the amount that the services rendered would have cost in the absence of the coverage.

Part 5

RIGHT OF CONVERSION

If You or Your spouse dissolve Your marriage by a valid decree of dissolution of marriage and Your spouse was a Covered Person, then Your ex-spouse can apply for and receive, without evidence of insurability, a policy providing coverage not greater than the terminated coverage. To obtain the policy, Your ex-spouse must make application to Us within 60 days following the entry of the decree of dissolution of marriage. If such dissolution of marriage occurs, the Named Insured under this policy at the time of dissolution will retain that status. Any covered dependent may be covered under either policy, but not both.

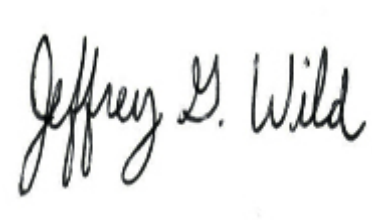

Part 6

GENERAL POLICY PROVISIONS

- A. ENTIRE CONTRACT; CHANGES:** This policy, together with the application, endorsements, benefit agreements, riders and attached papers, if any, is the entire contract of insurance. No change in the policy is valid until approved in writing by Our president and secretary. This approval must be noted on or attached hereto. No duly licensed agent may change this policy or waive any of its provisions.
- B. TIME LIMIT ON CERTAIN DEFENSES:** (a) After two years from the effective date of coverage, no misstatements, except fraudulent misstatements, made by the applicant in the application will be used to void the coverage or to deny a claim for a loss incurred after the expiration of such two-year period. (b) No claim for loss incurred or disability (as defined in the Policy) commencing after two years from the date of issue of this policy will be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of loss had existed prior to the effective date of coverage of this Policy.
- C. GRACE PERIOD:** A grace period of 31 days will be granted for the payment of each premium falling after the first premium. During the grace period, this policy shall continue in force.
- D. REINSTATEMENT:** You may request reinstatement of Your policy directly from Us. If Your policy has lapsed for nonpayment of premium and We accept a later payment without requiring an application, Your policy will be reinstated. If We require a written application and provide You with a conditional receipt, Your policy will be reinstated upon approval of the applications from Us. If We do not notify You of Your disapproval in writing within 45 days of the date of Your application, Your policy shall be deemed reinstated. The reinstated policy shall cover loss resulting only from Covered Dental Procedures that occur after the date of reinstatement. In all other respects, You and Us shall have the same rights as provided under the policy immediately before the due date of the defaulted premium, subject to new Waiting Periods beginning with the effective date of reinstatement. Any premium accepted in connection with a reinstatement shall be applied to a period for which premium has not been previously paid, but not to any period prior to the date of reinstatement.
- E. NOTICE OF CLAIM:** Written notice of claim must be given within 60 days after a Covered Dental Procedure starts or as soon as reasonably possible. Notice given by You or on Your behalf or on behalf of Your beneficiary to Us at [7800 Office Park Blvd, PO Drawer 14389, Baton Rouge, LA 70898-4389], or to any of Our authorized agents, with information sufficient to identify You, will be deemed notice to Us.
- F. CLAIM FORMS:** When We receive a notice of claim, We will send the claimant forms for filing proof of loss. If the forms are not given to You within 10 working days after the giving of such notice, You will meet the proof of loss requirements by submitting, within the time fixed in the policy for filing proofs of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made.
- G. PROOF OF LOSS:** Written proof of loss must be given to Us in case of claim for loss for which this Policy provides any periodic payment contingent upon continuing loss within 90 days after the termination of the period for which We are liable, and in case of claim for any other loss within 90 days after the date of such loss. Failure to furnish such proof within the time required will not invalidate or reduce any claim if it was not reasonably possible to give proof within such time. However, such proof must be furnished as soon as reasonably possible and in no event (except in the absence of legal capacity) later than 12 months from the time of proof is otherwise required.

- H. TIME OF PAYMENT OF CLAIMS:** benefits payable under this policy will be paid immediately upon Our receipt of written proof of loss.
- I. PAYMENT OF CLAIMS:** All benefits will be payable to You unless assigned by You or by operation of law. Any accrued benefits unpaid at Your death will be paid to Your estate.
- J. CLAIMS REVIEW PROCEDURE:** If a claim is denied in whole or in part, You may request a review of the claim. The request must be in writing and must be made within 6 months after the claim was denied. Send the request to Us at P.O. Box 98100, Baton Rouge, LA 70898-9100. The request should contain any facts that the Insured considers important to the review. We will review the claims decision and send a response in writing within thirty (30) days. If the denial of benefits is confirmed, You will be told the reasons for the decision.
- K. LEGAL ACTIONS:** No legal action may be brought to recover on this policy within 60 days after written proof of loss has been given as required. No such action may be brought after six years from the time written proof of loss is required to be given.
- L. CONFORMITY WITH STATE AND FEDERAL STATUTES:** Any provisions of this policy that on its effective date is in conflict with the statutes of the state in which it was issued or with any federal statutes is hereby amended to conform to the minimum requirements of such statutes.
- M. OTHER INSURANCE WITH THIS INSURER:** If any person is covered under more than one policy or rider from Us, only the one chosen by You, Your beneficiary or Your estate, as the case may be, will be effective. We will return all premiums paid for that person for all other dental coverage from the date of duplication.
- N. PRE-ESTIMATION OF BENEFITS:** Whenever the estimated cost of a recommended dental Treatment Plan exceeds \$300, the Treatment Plan may be submitted to Us for review before treatment begins. The Treatment Plan should be accompanied by supporting pre-operative X-rays and any other appropriate diagnostic materials that We or Our dental consultants request. We will notify the covered person and the attending Dentist of the estimated benefits payable based upon the Treatment Plan. In determining the amount of benefits payable, consideration will be given to alternate procedures that may accomplish a professionally satisfactory result. If the covered person and His Dentist decide on a more expensive method of treatment than that pre-estimated by Us, benefits will be paid for the more costly treatment, but only up to the Policy liability for the less expensive alternate Service. We will not pay the excess amount. Since this may result in significant out-of-pocket expense, We strongly encourage You to follow the pre-estimation procedure for any Treatment Plan which will exceed \$300 in cost. Pre-Estimation of Benefits is not a promise of payment.
- O. SERVICES PERFORMED OUTSIDE THE U.S.A.:** Any Claim submitted for procedures outside the U.S.A. must: (1) be for a Covered Procedure, as defined; (2) be supplied in English; (3) use American Dental Association (ADA) codes; and (4) be in U.S. Dollar currency. Reimbursement will be based on the applicable Scheduled Fee amounts.
- P. RECOVERY OF OVERPAYMENTS:** We reserve the right to deduct from any benefits properly payable under this Policy the amount of any payment that has been made:
1. In error; or
 2. pursuant to a misstatement contained in a proof of loss; or
 3. pursuant to fraud or misrepresentation made to obtain coverage under this Policy within two (2) years after the date such coverage commences; or
 4. with respect to an ineligible person; or
 5. pursuant to a claim for which benefits are recoverable under any Policy or act of law providing coverage for occupational injury or disease to the extent that such benefits are recovered.
- Such deduction may be against any future claim for benefits under the Policy made by a Covered Person if claim payments previously were made with respect to a Covered Person.

IN WITNESS WHEREOF, We have caused this Policy to be signed by Our President and Secretary.
